It's up to you to travel around the galaxy in order to piece together an ancient artifact and (quite literally) save the day.As the last intergalactic chicken invaders flee our Solar Systemand lingering feathers still smolder in interplanetary space,I ease up on the trigger and wipe the sweat from my brow.My work here is done.Saving the world sure works up an appetite.I'm plotting a course for the nearest Space Burger! I think I'll have the spicy chicken wings tonight.Or perhaps their galaxy-renowned chicken pie?Ah, the choices of a hero are never easy.Intense shooting actionLots of galaxies to exploreLack of any real storyNo action other than shooting Should I press already purchased? Chicken Invaders puts you at the forefront of a battle against invading intergalactic chickens, bent on revenge against the human race for our oppression of Earth chickens. Learn More Developer Website App Support Privacy Policy File details Chicken Invaders 5 Mac is an intensive, kinda of wacky chicken killing game that is set in outer space. Up to four players can join in to fight the invading swarm of chicken assassins. This Mac download was checked by our built-in antivirus and was rated as virus free. In addition to simply defending the planet, the player can journey to 12 unique star systems to do battle with waves of intergalactic chickens. The game is basically a high-octane shooting game with a fun cartoon-like twist. Great game The game works fine for me, but there doesn't seem to be an 'allow cheats' option. In this episode, the chickens have hatched a devious plan to block out sunlight and freeze Earth to death. Latest update: Aug 09, 2021 Softonic reviewChicken Invaders 5 is a frantic shooting game where taking out hordes of intergalactic chicken invaders is the only way to save our precious Earth! With smart graphics, and impressive animations, space-based shooting action has never been so much fun. Author's reviewChicken Invaders puts you at the forefront of a battle against invading intergalactic chickens, bent on revenge against the human race for our oppression of Earth chickens. It's very frustrating for those of us who like cheating. The actual action can become wonderfully intense as up to 200 chickens can be on screen at one time, all just waiting to be eliminated. The developer, InterAction studios, indicated that the app's privacy practices may include handling of data as described below. Privacy practices may vary, for example, based on the features you use or your age. Climb Aboard Your Ship to Eliminate the InvadersChicken Invaders 5 places you in the cockpit of your spaceship, in a time when alien chickens are invading the Earth. It's bright, frantic, and really quite funny, with colourful graphics and a unique orchestral soundtrack. It's up to you to travel around the galaxy in order to piece together an ancient artifact and (quite literally) save the day. - Fixed "audio not playing" issue- macOS 12 Monterey compatibility Just as fun and clever as every previous game in the series. Nov 11, 2021 Version 1.30 Please fix this bug: the game keeps crashing when i play to the boss of chapter 8!!!! I mean looking at the reviews i see there was a few problems but it looks like u fixed them the way the ad banner disappears during a wave im 100% fine with the ads u need to make a living somehow and the weapons unlocks and all of that stuff genius you really made the game better the more games u make im a long term fan and glad to see this series grow bravo I thought it said free but still makes me purchase the entire game.
