

I'm not robot!

Mike, Timba and Trolli deserve a vacation, so they have prepared everything to spend some rest days on a quiet island and away from daily hustle and bustle. Accidentally, they find a scroll that the positions on the track of a strange treasure, related to old local legends that tell us about medical creatures, ancient currents and giant battles and gentlemen. Without having looked for it, the compas will be wrapped in an A © pica adventure that would have the converts into Hä © Roes. They arrive today (41) arrive in less than 24 hours (72) up to \$ 2.500 (30) \$ 2.500 to \$ 3.500 (37) more than \$ 3.500 (33) novel (33) story (19) Manual (2) Official stores (16 ) From 5% OFF (14) from 10% OFF (12) Details of the publication to 6 installments without inter -free shipment are subject to the weight, price and distance of the shipment.
